Hello praying friend,

As I write this update, Texas is having an unseasonably cool day for the first week of July and it's a great blessing! We send these updates out every other month with occasional email updates in between. The last one was sent out in May and we didn't know at that time whether we would be able to host our summer training events which usually take place in June. Much like you, our lives have been disrupted by the virus and the implications of trying to combat its spread. Trusting in God and moving forward, we hope to hold our NPO (New Personnel Orientation) the first week of August! This is the training that we host for new long-term workers seeking to join Christar. And, praise God, we have a good group scheduled to come!

It's truly a testament to God being at work in accomplishing His purposes in taking the Gospel to the least reached! With all the uncertainty blowing around us, there are still men and women who are obeying the Father's call to make disciples of all nations. They are willing to go to the difficult places and make Jesus well known! God is truly at work and we are thankful for your support!

But we know that where God is at work, Satan often attacks. Please be in prayer for these meetings and for others later in the year. The needs on the field for personnel have not diminished. We need more workers to take up the torch and advance against the darkness in the Muslim, Hindu, and Buddhist world. Please be in prayer for those coming to these events and for the training staff!

For Christ and His kingdom,  
Paul

“No man can do me a truer kindness in this world than to pray for me.” Spurgeon

**Sunday-** For our spiritual life. Consistent times in prayer, fellowship, and the Word. For Grace to resist temptation and victory over spiritual struggles and protection from the attacks of the enemy.

**Monday-** For wisdom as we coach people to work more on a long term basis. That God would raise up more workers for His harvest through Cindy and myself.

**Tuesday-** For our family. That all of us love and support one another. Protection for our kids that are in public school. That we would be salt and light in our relationships.

**Wednesday-** For our co-workers in the Christar office. May there be a spirit of cooperation and building one another up. May we strive together in making disciples among the least reached.

**Thursday-** For an increase in prayer and financial support. That God would supply all our needs according to His riches. That we would be good stewards of the funds that He gives. That we would be anxious for nothing, but in everything give thanks.

**Friday-** For good health and strength for us to serve Him. That we would practice good self-care and not find our self-worth in what we do, but in our relationship with Jesus. That we would see ourselves through His eyes.

**Saturday-** A day to praise God for all that He has done and will do. Because He is worthy of praise, may our lips continually give thanks to Him. Praise Him for the privilege that we get to have of serving Him.
